Dear Dr Vincze,

I hope this email finds you well. I am getting in contact today regarding registrations for ESGE Days 2019 taking place 4-6 April 2019 in Prague, Czech Republic.

Firstly, I would like to thank you once again for the support in promoting the call for abstracts for ESGE Days 2019. We were able to significantly increase the number of submitted abstracts and have great expectations towards our upcoming congress.

We would really like to welcome members from HSGE to ESGE Days 2019 and so I would like to draw your attention to the approaching early bird deadline rates. So that your members can benefit from these special rates, they should register **until January 30, 2019**.

In case the society intends to support a group of endoscopists, we are happy to offer special rates for group registrations. Gabryela Schmidt from the secretariat will be in touch to provide more information.

The secretariat has provided a suggested message that can be shared with your members. Please find attached.

Should you require more information, images or text, please contact Gabryela from the secretariat directly at gs@hamilton-services.de.

Thank you in advance for your support.

Best regards
Thierry
